

GrowMantra Multicare Pvt. Ltd.

We have an innovative infrastructural unit that spread over an enormous area of land. We have segregated our infrastructure facility into many units such as sales & marketing, procuring, quality analyze, etc., in order to execute the entire business operation in a successful and smooth manner. Our vendor's manufacturing unit is well-installed with the contemporary machinery and state-of-the-art technology that assist us in meeting the urgent and bulk orders of customers within the promised frame of time.

Under the proficient guidance of our mentor

Mr.ManojkumarDange[CMD], we have been able to meet the

detailed demands of patrons in the most efficient way. His

sharp business insight and rich industrial understanding

assisted us to become a distinguished name in the industry.
